## Moving Checklist Things to Consider

Start a list of who you need to contact  
(eg: Gas, Electricity, Phone, Schools, Doctors, Medicare, Insurance etc)

Print out or photocopy a new address letter and send to all appropriate people.

eg. The Brown Family are Moving!  
From:- 15 Mountain Street, RINGWOOD  
On:- Monday the 1st of July

YOU WILL FIND US AT:-

10 Jesmond Road  
CROYDON 3136

New Phone No: \_\_\_\_\_

### Packing Plan:-

Start packing EARLY as you may be surprised as to how much you have!  
If possible, have a "clean out" while packing!

Make a list of essential items that you will need to have with you  
(eg: phone charger, medicines, paperwork).

\* Download our "essential Items" list to give you a head start!

Pack one (1) room at a time and ensure that all boxes are labelled and sealed

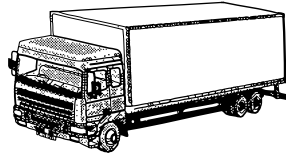

\* Download our box labels to save you time!

Think about your new house and where your belongings will go. Make a rough  
plan of the house to help with assigning the items to the rooms.

Have you got enough quality boxes and are they strong and sturdy?

\* More are only a phone call away!

## Moving Checklist Things to Consider

### Insurance

Have you thought about Removal Insurance?

\* Do not leave this to the last minute. If needed, we can help to organise this insurance for you.

### Cleaning

Do you need to organise a cleaner for your new house or your current house?  
We can organise a quote for this from J.R. Professional Cleaning Services.

### Storage

Do you need temporary storage of some items? Visit our Storage page to find out how easily this can be done!

### Parking

Advise your neighbours of your moving day and ask them to keep the street clear around your property. Also, make sure your car is out of the driveway, incase you need it

### Children and Moving

Moving house can be a stressful time for younger children. Our Crew are very aware of this and accordingly, we try to make the moving experience as positive and exciting as possible for the kids.

However, due to safety reasons, we ask that children are kept away from the truck when it arrives and leaves and are also kept away from the loading ramps at the back of the trucks. The Crew will be moving around the property with trolleys loaded with heavy items and they will also be carrying heavy items through the property. Children must be aware to keep a safe distance from the Crew during this process.
